MEMORANDUM FOR: Assistant Director, National Estimates

SUBJECT: Suggested Dissemination of NIE 11-2-59

1. It is my understanding that the dissemination of 11-2-59 should be somewhat more restricted than was the case with 11-2-58.
2. Attached is a suggested distribution for 11-2-59 compared to the actual distribution of 11-2-58.
3. Can you let me know by close of business Friday, 19 June whether this distribution is satisfactory?
